

# CP008 – Environmental Policy

Last Reviewed: January 2025

## Policy Statement

JV Controls Ltd recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods. We will encourage customers, suppliers, and other stakeholders to do the same.

## Responsibility

Mike Garforth, Director, is responsible for ensuring that this environmental policy is implemented, however, all employees have a responsibility in their area to ensure that the aims and objectives of this policy are met.

## Policy aims

We endeavour to:

- Comply with all relevant regulatory requirements.
- Continually improve and monitor environmental performance.
- Continually improve and reduce environmental impacts.
- Incorporate environmental factors into business decisions.
- Increase employee awareness and training.

## Paper

We will:

- Minimise the use of paper in the office.
- Reduce packaging as much as possible.
- Seek to buy recycled and recyclable paper products.
- Reuse and recycle all paper waste where possible.

## Energy and water

We will seek to:

- Reduce the amount of energy used as much as possible.
- Switch off lights and electrical equipment when not in use.
- Adjust heating with energy consumption in mind.
- Take energy consumption and efficiency of new products into account when purchasing them.

## Office supplies

We will:

- Evaluate if the need can be met in another way.
- Evaluate if renting or sharing is an option before purchasing equipment.
- Evaluate the environmental impact of any new products we intend to purchase.
- Favour more environmentally friendly and efficient products wherever possible.
- Reuse and recycle everything we can.

## Transportation

We will:

- Reduce the need to travel, restricting to necessity trips only.
- Promote the use of travel alternatives such as e-mail or video / phone conferencing.
- Make additional efforts to accommodate the needs of those using public transport or bicycles.
- Favour 'green' vehicles and maintain them rigorously to ensure ongoing efficiency.
